ROLCO EVOLUTION – WORLD RECORD CAPABLE TOURNAMENT ACCREDITED TOW BOAT

INTRODUCING THE ROLCO BOATS EVOLUTION – INCREDIBLY LUXURIOUS, INGENUOUSLY DESIGNED AND WELL APPOINTED. THE EVOLUTION IS A 21FT BOAT DESIGNED FOR BOTH SKIERS AND WAKEBOARDERS ALIKE.

With World Record Capable Tournament Accreditation the Evolution's distinctively designed hull produces flat wakes perfectly suited for slalom, tricks, jumping and even

bare-footing at higher speeds, slow down and the wake gets larger to keep the wakeboarder happy. Excellent tracking and handling coupled with a precise GPS speedo all combine to make this boat an impeccable performer.

Boasting maximum storage space, the Evolution has in addition to the carpeted ski locker behind the observers seat a full width rear storage compartment with side opening lids which either fits skis, wakeboards, kneeboards or even

fat sacks for the die-hard wakeboarders.

This spacious 21ft hull seats seven and with Rolco tow sport options, including either a tower, racks, ski pole, high pole or boom bar etc. You can customize the Evolution to suit your individual water sport. Rolco offer a range of packages to customize your boat straight from the Rolco factory to you, ensuring you get a fantastic price and service like no other.
