Rolco Boats 2011

ROLCO PARAGON – A MODEL OF EXCELLENCE

DESIGNED AND MANUFACTURED IN AUSTRALIA BY ROLCO BOATS. THIS MID MOUNT WALK THRU BOW RIDER GUARANTEES THE BEST IN QUALITY AND VALUE FOR MONEY SKI OR WAKEBOARDING BOAT BY FAR.

This 20ft boat is a family crossover package from top to bottom. The internal layout supplies plenty of space for 10 people, including an ergonomically designed driver seat with footrest that is super comfortable and will have everyone fighting over who drives next.

The helm itself is simple and stylish in appearance, with leather steering wheel and tilt rack & pinion steering. It's well laid out with every control and instrument within easy sight and reach of the driver. The all new Rolco GPS Speedo will guarantee the perfect speed reading every time. The Paragon comes with lush vinyl interior seating, and maximum storage capacity including a full width rear storage compartment with side opening lids. The massive rear boarding platform can be folded down by one person without tools in seconds for ease of parking in the shed.

The Indmar Forward Neutral Reverse engine will rocket you out of the hole with smooth transition, and plenty of grunt. It supplies the power and is supremely adept at pulling pro skiers, wakeboarders, tubes and booms. With a premier ski wake based on the Evolution Hull, it is the perfect boat for the family that loves to ski. It features those incomparable flat, smooth wakes and will certainly aid in the transition from one style of water sport to another.
