Rolco Boats 2011

PHOENIX – ROLCO'S MOST POPULAR MODEL

INTRODUCING THE PHOENIX FROM ROLCO BOATS – LUXURIOUS, SPORTY AND A PLEASURE ON THE WATER. THIS ROOMY 20 FOOT BOAT HAS ENOUGH FEATURES AS STANDARD EQUIPMENT TO KEEP ANY WAKEBOARDING OR WATERSKIING FAMILY HAPPY.

With a state of the art GPS speedo, leather wrap steering wheel, adjustable drivers seat, seating for 7, dual observers lounge, all trimmed with velour and XR8 accents then complimented by 7 large stainless steel drink holders.

The drop floor next to the driver's seat helps create more room and a feeling of spaciousness in the front cabin, there's a massive ski locker behind the observers seat, netting pockets down each side and even a few trinket pockets featured throughout the boat for mobile phones, keys, wallet, sunny's etc. The Glove Box/Esky ensures cold drinks on hot days.

As with all Rolco models, the Phoenix boasts a huge open sided boarding platform which is ideal for getting beginners set up on double skies with confidence or wakeboarders alike

on their favorite board. As you step off the platform you can rest assured you will not be anywhere near the propeller as it is tucked away under the boat for maximum safety.

The hull is perfectly suited for slalom skiing and bare-footing or throw a fat sack or two in and the wake transforms into one that would keep any wakeboarding enthusiast happy.

The choice of Rolco tow sport options, including towers, racks, high poles, boom bars etc means you can customize the Phoenix to suit your water sport.
